# CLOVIS HIGH SCHOOL

*Pride, Unity, and Excellence*

May 12, 2023

To whom it may concern,

I am honored to write this letter of recommendation for Noah Layton, a junior cellist in our Clovis High School Instrumental Music Program. Noah has been an exceptional member of our music program, serving as a leader in our string orchestra class and making significant contributions to our ensemble's success.

Throughout his time in our program, Noah has demonstrated an outstanding work ethic and a genuine passion for music. His dedication to the cello and his commitment to improving his skills have been truly inspiring. Noah is an exceptional musician with a natural talent for the cello, but he also possesses the discipline and focus necessary to excel in any pursuit he chooses.

What is perhaps most impressive about Noah, however, is his ability to balance his musical pursuits with other interests and responsibilities. In addition to his involvement in our music program, Noah is also a student in the CART program where he is learning web application and development. He has also been balancing his community college studies in the Dual enrollment program with his commitments in our music program. Despite his busy schedule, Noah always manages to approach his obligations with enthusiasm and energy.

Noah is not only an accomplished musician and a hardworking student, but he is also a kind and thoughtful young man. He treats his peers and instructors with respect and consideration, and he always goes out of his way to help those around him.

I wholeheartedly recommend Noah for anything he may pursue in the future. His dedication, work ethic, talent, and character make him an outstanding candidate for any endeavor he may choose.

Please do not hesitate to contact me if you have any questions or require further information.

Respectfully,

*Esmeralda Rocha Lozano*
